

Herefordshire & Worcestershire Integrated Care System

FLEXIBLE GP CHAMPION OPPORTUNITY CALL FOR EXPRESSIONS OF INTEREST

Herefordshire and Worcestershire Primary Care Workforce Team and Training Hub are seeking EOI's for two Flexible GP Champions (one Herefordshire and one Worcestershire) on an ad-hoc session basis (4 hours, 10 minutes) at an hourly rate of £77.57 per hour / £323.21 per session initially between April 2021-March 2022.

This funding is part of the national Flexible GP Pools guidance issued by NHSE/I in December 2020. We expect the post-holders to work closely with the CCG, Primary Care Training Hub and GP Federations in both counties to support the development of Flexible GP Pools and develop a network of Locum/Flexible GPs.

This is an exciting opportunity for qualified GPs including Locums who have demonstrable experience of working across Herefordshire or Worcestershire, key leadership, influencing and networking skills including evidence of access to formal/informal networks with other locums working in the area.

How to Apply:

To express your interest, please complete the attached Expressions of Interest form and return it to us at: hw.workforce@nhs.net by 23rd April 2021.

Interviews are to take place via Microsoft Teams during early May 21.
Please see further details in the attached advert.
